

CALLING IN
THE SEVEN DIRECTIONS

diamond body/ carl jung, barbara hamah, robert moore, douglas gillette, and thousands of teachers from first cultures.

Welcome the energy of the East, the direction of the Lover. Welcome the energy of new beginnings, of connection with beauty and the richness of the world. The color of the East is yellow, the color of the rising sun at the beginning of the day. The fear of the East is the fear of pain. The desire of the east is the desire for pleasure, and the emotions are love and hatred. The animal of the East is the song sparrow calling us to a new day. We welcome the energies and spirit of the East. HO!

Welcome the energy of the South, the direction of the Warrior. Welcome the energy of service, of action in the world in service to the realm. The color of the South is red, the color of blood and of passion; the color of the heat of the noon-day sun. The fear of the South is the fear of losing control. The desire of the South is the desire for power, and the emotions are pride and anger. The animal of the South is the dog, the symbol of loyalty. We welcome the energies and spirit of the South. HO!

Welcome the energy of the West, the direction of the Magician. Welcome the energy of introspection, going within to find the gifts of healing. The color of the West is black, like the darkness of our shadows. The desire of the West is the desire for order and virtue. The fear of the West is the fear of Abandonment, and the emotions are happiness and shame. The animal of the West is the Bear, who goes into the cave to hibernate, to seek within the darkness the gift of renewal. We welcome the energies and spirit of the West. HO!

Welcome the energy of the North, the direction of the King. Welcome the energy of wisdom and blessing. The color of the North is white, the color of the hair of the elders. The desire is the desire for freedom and release, and the fear is the fear of Death. The emotions of the North are joy and sadness. The animal of the North is the Owl. We welcome the energies and spirit of the North. HO!

Welcome the energy of Sky Above, the masculine principle, the energy and spirit of inspiration. The color of the Above is blue and the animal is the eagle. Welcome the gifts of wind and sunshine, the creative energies, the desire for Truth and the emotion of compassion. We welcome the energies and spirit of Father Sky. HO!

Welcome the energy of Earth Below, the feminine principle, the energy and spirit of Generosity. The color of the Below is green and the animal is the deer. Welcome the gifts of nurture and support, the sustaining energies, the desire for abundant beauty and the emotion of gratitude. We welcome the energies and spirit of Mother Earth. HO!

Welcome the energy of Within, the principle of wholeness, the energy and spirit of the mysterious. The color of this energy is Gold. We welcome the gifts of balance, oneness, and the connection with all things, for all things are one and all things are related. The animal within is the Human Being, the desire is for serenity and the emotion is humility. We welcome the energies and spirit of Within HO!
